**EBRSO Arrests Man With 100 Old Meth Labs in His
Apartment Bathroom**

East Baton Rouge Sheriff's Detectives were contacted this afternoon by Probation and Parole after receiving information in reference to a possible meth lab. Detectives found approximately 100 "Shake-and-Bake" style bottles that were old, now inactive labs, inside the apartment. They also discovered approximately 12 grams of total package weight Methamphetamine.

Christopher Helmke, 3/10/81, of 16623 Missionary Ridge is charged with Possession of Schedule I Narcotics and LRS 40:983 Creation of a Clandestine Lab.

This investigation is ongoing and more charges may be pending.
